Diversity & Inclusion

OCTOBER 2017

MESSAGE OF ASSOCIATE DEANS OF DIVERSITY

5th
NEWSLETTER
EDITION

Dr. Linnie Golightly

Dr. Rache Simmons

Greetings,

Welcome to our October newsletter. We hope that you enjoy the new format.

Dean Augustine Choi has declared the week of April 23rd to 27th, 2018 **Diversity Week**, to celebrate diversity and enrich our community. This inaugural celebration will feature a keynote address by Dr. Hannah Valentine, the Chief Officer for Scientific Workforce Diversity at the NIH. Other events will include departmental diversity grand rounds. Please SAVE THE DATE and send us your ideas! We want to ensure that this celebration reflects our collective vision for diversity and inclusion at WCM.

And our hearts are with those affected by Hurricanes Harvey, Irma, Jose, and Maria. WCM leadership has reached out to our alums to inquire about their families and safety. In addition, there is an ongoing dialogue regarding how WCM can assist on a humanitarian basis as well as help our sister educational institutions ravaged by the hurricanes. We wish all a safe recovery.

Kind Regards,

MAKE YOUR MATCH OPEN HOUSE

On September 9th, the Department of Medicine Minority Housestaff Committee, Residency Training Program and Office of Diversity and Inclusion hosted a Residency Diversity Open House for medical students. The students were welcomed by the Co-Chairs of the Minority Housestaff Committee, Dr. Susana Morales (Department of Medicine Vice Chair of Diversity), Dr. Linnie Golightly (Associate Dean of Diversity and Inclusion), and Dr. Lyuba Konapasek (the NYPH Graduate Medical Education Designated Institutional Official). Students had an opportunity to attend different sessions regarding the residency process.

The open house provided the opportunity for medical students to ask panels questions about the application process for residency and hear experiences from current residents. In addition, students were able to network with residents from an array of departments: Anesthesia, Medicine, OB-GYN, Neurology, Pediatrics, Radiology, Dermatology, Radiation Oncology, Psychiatry, Ophthalmology, Orthopedics, and Surgery.

GOVERNOR GENERAL OF ANTIGUA AND BARBUDA

On September 20th, Sir Rodney Williams visited WCM hosted by the Brain and Spine Center. He spoke regarding "Honor Above Wealth, Healing the Body and the Society" and shared his experiences as a physician serving in Antigua and Barbuda. Sir Williams has ongoing collaborations with Dr. Caitlin Hoffman in Pediatric Neurosurgery. He met with Dean Choi and other faculty to discuss future additional collaborations with WCM. He also met with members of the WCM community at a reception in the Griffis Faculty Club following his talk.

"REALIZING WE DID NOT HAVE MANY CONSULTANTS IN ANTIGUA AT THE TIME, I REALIZED I HAD TO COVER MOST OF THE AREAS. I DID EAR, NOSE, THROAT, SURGERY, MEDICINE, OBSTETRICS AND GYNECOLOGY....YOU HAD TO HAVE THE KNOWLEDGE YOURSELF TO KNOW EXACTLY WHAT TO DO AND WHEN TO REFER TO GIVE THE PEOPLE THE BEST POSSIBLE CARE."

Sir Rodney Williams, MBBS

FACULTY AND STUDENT SPOTLIGHT

DR. CISSE JOINS AS FACULTY

Babacar Cisse, MD, PhD was recently appointed as Assistant Professor of Neurological Surgery and Assisting Attending Neurosurgeon at the New York-Presbyterian Hospital/Weill Cornell Medicine. Originally from Senegal, Dr. Cisse joined the Weill Cornell Medicine/NYPH community initially for his neurological surgery residency.

Congratulations, Dr. Cisse!

DR. ARLEO RECEIVES GLIMCHER AWARD

Dr. Elizabeth Kagan Arleo received the plaque honoring her as the 2017 Laurie Glimcher Awardee for Excellence in Mentoring Women Faculty. She was initially recognized at the 2017 Diversity Celebration in May.

Congratulations, Dr. Arleo!

GRANTS AND FELLOWSHIP OPPORTUNITIES

Mentored Career Development Award to Promote Faculty Diversity in Biomedical Research (K01)

Application Due Dates: October 15, 2017 and February 20, 2018 by 5:00PM local time of applicant organization

Eligibility:

- ▶ Applicants from diverse backgrounds underrepresented in basic, clinical, and translational biomedical research.
- ▶ Research interests in the advanced methods and experimental approaches related to cardiovascular, pulmonary, hematologic diseases, and sleep disorders in the general and health disparities populations

The award will provide:

- ▶ Salary (\$75,000)
- ▶ Research support (\$30,000) for 3-5 years under the guidance of an experienced mentor, or sponsor

For more information, please visit:

<https://grants.nih.gov/grants/guide/rfa-files/RFA-HL-16-006.html>

NIH Career Development & Training Award Workshop

Two workshop sessions:

- ▶ General Workshop: Steps to a Competitive Application (9:30-11:30 AM)
- ▶ Know Your Awards (1:00-4:00 PM)

Speakers:

Joan M. Lakoski, PhD
West Virginia University

Robert J. Milner, PhD
University of Massachusetts

Location: Memorial Sloan Kettering Cancer Center, Rockefeller Research Laboratories, RRL Auditorium, 430 East 67th Street

Register by October 25, please RSVP:

TOPICS IN DIVERSITY

Recommended by Dr. Lia Logio (Associate Dean for Faculty Development) "Working Mom, MD: Always on Call," features Dr. Katherine Chretien highlighting her personal experiences as a mother and MD. She discusses the obstacles women face in the medical profession along with the demands of being a mother. AAMCNews, Sept 19, 2017, by Dinah Wisenberg Brin, <http://bit.ly/2wVgzGK>
